I wish to express my thanks and appreciation for the valued cooperation which I have received from the district chief, deputies, selectmen and townspeople during the past year.

The townspeople have been a great help, both in

assisting at fires and obtaining permits. As you will please all remember, it is very important to obtain burning permits before starting a fire. The party responsible for burning without a permit will be liable for the expense incurred.

Looking forward to the coming forest fire season, I feel sure that each one realizes the danger and will co-operate as in the past.

Respectfully submitted,

LYLE R. GALE,
Forest Fire Warden.
